AUSTIN

Area Business Council Application

PURPOSE

The Area Business Councils provide a great way for Austin Chamber members to become involved and engaged in their geographical areas of town. These groups provide a channel for members to connect while working to solve challenges in the community, address issues relevant to business and work on projects by coming together for a larger purpose.

This is your chance to bring focus to the needs of businesses respective to your area, and to take community leadership roles with the Austin Chamber. Participation in an Area Council can increase your network of contacts while allowing a great presence for your company.

The Area Business Councils are open to all current Austin Chamber of Commerce members who are located in or have an interest in the business community and unique issues of Northwest or South Austin. A company must be a member of the Austin Chamber prior to any employee joining a council.

OPPORTUNITIES

Each Council offers bimonthly events and meetings at various Austin locations and allows members to form unique relationships with their business neighbors. The relationships built through the personal and frequent interaction with other business leaders in your area provide a forum for addressing issues specific to your region.

Please contact Patricia Shults, Member Relations Manager, at 512.322.5689 or pshults@austinchamber.com for more information.
