

Board of Directors – Director Responsibility

Fiduciary

- Ensure that the Chamber follows sound budgeting practices
- Review monthly financials provided at Board meetings and ask questions
- Assist when called upon to help staff retain existing members and recruit new members
- Board members are requested to work with the staff to support membership development efforts.
 - If you are able to do this or have any questions, please contact Jonathan Packer, SVP Customer Experience.

Other

- Attend Board meetings regularly and participate in discussion
- Directors are strongly encouraged to serve on a chamber committee/task force of choice
- Directors are strongly encouraged to attend at least one chamber event per quarter

Advocacy

- Directors are asked to represent the broad business community's common interests when voting on policy matters before the Board
- Directors are asked to support the policy action of the chamber board to the broad business community as well as with elected officials
